Dear SLO Guerra:

Please feel free to follow up with Ken Husting at Parking Management regarding the installation of the Oversized Vehicle Signs on the above referenced streets. I have reached out to Ken several times and he has indicated he would look into the installation timeline. Here is his contact information:

Ken Husting
Principal Transportation Engineer
Parking Management
Los Angeles Department of Transportation

Email: ken.husting@lacity.org

In fact ask him if the BID paid an outside vendor to make the signs would that expedite the process?
